Not on mailing list, but contributor of $10.00 is **Violet Franklin Petersen**, my mother-in-law, who also wants this mystery solved.

So why the newsletter???

Today is the 9th of April and it will be much later than that when I finish this. I am now doing what I have been thinking about doing for a long time. Starting **our own** family newsletter on the Franklin's. All of you above are of the same source - from John Franklin and Eleanor Riggs, and we all are stuck at the same place. I have been writing to all of you, a few for four years or so, some less. It seemed to me that we needed to co-ordinate our efforts and I will be willing to do that by updating you with a newsletter of this type. I know who you all are, but I am not sure you know who you all are (does that make sense?), so I thought I would list all of you so you could meet each other and let you know there are a lot of us! Perhaps we will even get more!!!

I have been most fortunate to have met in person Frances Franklin Horner, Martha Franklin Booher, Bev Wagner (of the Odle's line) and Elaine Schmid's husband (not her, she was working when I passed through Chenoa last summer). Other's I have spoken to on the phone. My truly loyal buddy is Rose Mary Patterson who is just as determined as I to crack the case of the missing Franklin family. She and I write on Prodigy often and express our concerns to each other, but have never met. In case any of you have access to a computer, a modem and Prodigy, you may write to us at:

Rose Mary Patterson - ID number VRDC48A
Bev Petersen - ID number BRJT55A

New Person in for the fight...

On Sunday night, the 10th of April, I received a call from Karen Shurtz of Delta, Utah. My name was given to me by Rakay Sorensen. Karen is another one of us, branching off Benjamin Franklin and Sarah Woodburn. She had submitted some data to the Mormon Church family records files, so if you see that branch, she is the one getting it there. We are in the process of exchanging complete data now, and I will pass that along to you all when I receive it. Good to hear from you, Karen!!!

Bev Visits Chillicothe...

OK, so what got me going on this newsletter is a trip I just returned from in southern Ohio and Kentucky with my daughter and exchange student. I had never been to the south of Ohio and friends indicated that the Hocking Hills area is a nice place to see. Well, checking the maps, I saw that Hocking Hills was quite near, you guessed it, CHILLICOTHE, OHIO!!! And we all know what that meant! Yes, we spent 2 nights there. The first day we arrived about 3:30 PM and I quickly went to the court house to ask for local genealogists. They were gracious and had a listing of goodies. I went right to the pay phone and called the Ross Co. Genealogical Society and I got a real person on the phone. I expressed my concerns and they told me to come in that night (4th of April) and talk! Oh, was I ever excited to hear that!

The ladies were great and of help in that I had access to all of the unpublished records that they had - some really neat stuff! I could only stay from 7:00 - 9:00 as they were not officially open. I quickly grabbed some things, thanked them, and went on my way. While there, I spoke with one of the ladies who is more than willing to research for us. I believe her to be one of the local experts, as she really seemed to know what was going on there. Her name is:

Juanita Doris
P. O. Box 1644
Chillicothe, Ohio 45601
(614) 773-4810

Juanita's fee is only $6.00 per hour, which I feel is extremely fair in today's world. She has keys to the genealogy building itself and can come and go as she pleases. She is most willing to help us research and promises that she will be honest with her billing and will only charge for the work she does. I found a few things there and will give that information later with the summary of the Franklin's that I will do at the end of this letter. I will also send her what I have summarized. I would like to use Juanita as a researcher for us. Please read on.

$$$$$$$$$$...

Now we need to discuss how to handle this. Again, I am sticking my neck out and letting you all know that I will take over the "clearing house role" and work with Juanita and coordinate our efforts through this newsletter. You may also do either on your own, but I have not seen any coordinated effort from any of you yet, except for valuable paid research hired by Mrs. Ben Franklin and Rakay Sorensen. I will be willing to mail you all information gathered by Juanita (or myself and others) if you use me as the person to spread the information around. I can keep a running list of things we need to find and information that is found. I have no idea at this time what a schedule for this newsletter might be - probably just on "on demand" thing.

The one bigger issue here is, of course, the money thing. As you can see with only the few names on this list, postage will be $3.48 (provided it is a regular weight mailing) , with no Xeroxing costs (I can get that free), envelopes or misc. mailings to Juanita etc. So, I am asking that if you are interested in participating in this little venture, that each of you send $10.00 to get us started. I will then get my husband to set up an account for us (I hate bookkeeping!) and I will keep you all informed of the expenses encountered. If you send your "dues" I will then keep you informed and up to date on all Franklin information we find. As the money dwindles, I will let you know and then may request more, but promise that if it looks like we truly are at a dead end, I will return all unused

monies and we will give up! Rose Mary and I often speak about breaking this deadlock, and I still think we can. Let's do it together!!!

I Need Your Help...

I hope you will send me any thing you want to share (please don't leave it up to me) and any messages from other sources you feel is important. You also may express your opinion on the Franklin's and your "gut" feelings on this family. I think we all know a lot but have not been able to share things well or efficiently.

FFRU...

I hope you are all subscribing to the Franklin Family Researchers United Newsletter as this is an important source for us. Their address is:

Franklin Family Researchers United
Rt. 2 Box 212
El Campo, Texas 77437

The cost of this is $20.00 per year and very well worth it. I think you will enjoy it if you don't get it already. You will see that many of us have already submitted information and queries in it.

So Why Our Own Mini Newsletter?

Because we are all stuck at the same place and have the same frustrations. John and Eleanor, where are they? Even with running queries, I still see our same names surfacing (with the exception of Karen Shurtz who just surfaced). We need to get more Ross Co. data to tie us in with another Franklin family there. Then we can get into Virginia and go on.

More on Chillicothe...

So, back to my experiences in Chillicothe. You must understand that this is a small town and our John was probably not in the town itself, but near there in Jefferson Twp. to the southeast. Of course boundaries have changed since then, but looking at Jefferson Twp. now, THERE IS NOTHING THERE! When I spoke with the ladies at the Gen. Society, their feeling was that all the Franklin's in Ross Co. at 1800 or so were probably related. I have suspected that myself and I think this is the way we need to look at this.

We might start by assuming that **Anthony Franklin** who married **Polly Nelson** might be related. **Major Anthony Franklin**, born 17 July 1778 in Amherst Co., VA, died 1859 and is buried at Hillsborough, Highland Co., Ohio. He married 15 Feb 1802 in Mercer Co., KY, **Polly Nelson**, daughter of **Captain Nelson** of Virginia and Kentucky. She died 1864 and is buried at Hillsborough also. They had 10 children. A write up on them is in the latest issue of the Franklin Family Researchers United (from now on referred to as FFRU) on page 45. Now you must understand that I cannot see a connection here yet, but he was in Ross Co. very early, as was our John.

Washington Co., PA from Maryland, whence he came from New Jersey. Mr. Riggs was a regularly ordained Methodist Minister on 26 Apr 1799 - Vestryman in Episcopal Church in 1794 and probably earlier. William Riggs married second time to **Elizabeth How** (Widow with children). Burial in Wm. Riggs Farm, Washington Co. PA.

Children:

They are all listed (I will furnish this entire 'report' to any one interested - a will is also included) but most important now is **Elenor (Nelly) Riggs** b. 17 Oct 1776 M/ John Franklin of Meigs Co., Ohio. (I have never seen a Franklin in Meig's Co., folks - he must have been there only for a short time!).

A Little on Anthony...

The following quotes are from the "History of Ross and Highland Counties, Ohio" by the William's Bros. 1880, p. 511 about **Major Franklin.**

"He came to Massie's station (referring to General Massie), now Manchester, about the year 1795. He assisted General Massie in making many of his numerous land surveys in what are now Adams, Ross and Highland counties; and, in return for said services, he received several grants of land - to which, in after years, he made many additions by purchase.

In the early part of the present century he selected for his home the farm in Brush Creek Twp., upon which he lived for sixty years, and upon which he died. That farm is still in the possession of the family - being now owned and occupied by his son-in-law, James P. Keech, esq. Thus, for nearly or quite sixty years, has this farm been known as the "Franklin Farm". His first house was of logs, covered with boards fastened on by means of wooden pins."

There is much more written on this man, but you can see that he was there at the beginning of time in Ross Co. Did some of the other relatives come too? I think we need to find his cousins and other family members.

Make this correction...

We need to clear some things up. In the IGI of the Mormon Church, one fact is wrong, as far as I can see. A **Samuel Franklin** is listed as being born to John and Eleanor on 2 July 1803. This is wrong. It is Sam's marriage date to **Rebecca Carpenter**, which took place on that exact date, in Ross Co. Is Samuel a brother to our John? His age fits nicely and again, here is another Franklin in Ross Co. at the same time as John. Anyway, I have seen this marriage recorded in many, many books and wanted to be sure that you all were aware of the error there. Please make a note of it. Karen Shurtz tells me that the church has corrected that now, but if you have old info. like mine, please make the change.

The Franklin's Summarized...

Here is a summary of the facts of the Franklin's in our line. Please feel free to comment and make corrections or suggestions. We should all agree on this, if not, let me know right away. I feel that these things fit.

A Timeline for our Franklin's...

1794 - John and **Eleanor** were married in Washington Co., PA. Rose Mary Patterson sent me the following which I believe we could use as proof to their marriage. "Mount Tabor Methodist Episcopal Church, Fallowfield Twp., Washington Co., Pennsylvania". **William Riggs**, b. 12 March 1750, Harper's Ferry, VA. d 1833 M/ 1773 Mary Dodson (one record reads Dowdon). b. 17 Dec 1755. Two years after his marriage he moved to

1833 - There were no Franklin's in this Twp., or any adjoining ones nor Ross Co.
1840 - **Eleanor** is on the census at Randolph Co., IN. Lived next door to **William Odle** and wife **Elizabeth Franklin.**

Facts I have found...

These are things I have found that **could** apply to our family.

1801 - Early Ohio Tax Records Compiled by Powell, p. 438. There was a **Thomas Franklin**, Virginia Military District on the 1801 Tax List.
26 June 1805 (No. 48, Volume VI, Wednesday, 26 Jun 1805, Whole No. 308, p. 121 in the Pioneer Ohio Newspapers 1793 - 1810.) - "**John Franklin**, living in Gallatin, Sumner Co., Tennessee, reports a runaway slave named John, a wagon maker." This is the first time I have seen reference to this area. If this is our John, it is worth checking this county in TN. I will look and I ask that you all keep this area in mind also. Sumner Co. is just northeast of what now is Nashville. I spoke with a local friend who researches Tennessee a lot and she tells me that Sumner Co. was opened up very early and many people came down from the Ohio River into the rivers in this area. They either came this way or through the Cumberland Gap. Any thoughts on this???
1810 - Early Tax Lists (same as above, p. 345) There were 2 **Thomas Franklin's**, Franklin Twp., Ross Co.
11 April 1810 (Volume X, Wednesday, 11 Apr 1810, No. 487, p. 305 in the Pioneer Ohio Newspapers) - "A list of letters left at the Post Office in Chillicothe includes...**Anthony Franklin**...**John Franklin**...**John Odle**... ".
1810 - **Anthony Franklin** Brush Creek Twp., Highland Co., OH on the 1810 Tax list.
1810 - **Thomas Franklin** - "Li" Twp. (Licking?) Highland Co., OH, p. 178.
1812 - **War of... Samuel Franklin, James Franklin** and **John Franklin**, Roll of Capt. Andrew Correll's Co. - Probably from Ross Co. Served from July 28 until August 29, 1813. From the Roster of Ohio Soldiers in War of 1812. This is the first time I have seen 2 John Franklin's in Ross Co. or is the "part of company" below is that John served in this other company for a time. Any thoughts on this?
1812 - **War of...John Franklin**, Roll of Caleb Odle's Company - Probably from Ross Co. Served from Oct 26 until Nov 12, 1813. Part of Company served from July 28 until Aug 19, 1813. From the Roster of Ohio Soldiers in War of 1812.
7 Apr 1814 (Thursday), Volume XIII, No. 685. **John Franklin** is on a list of persons with letters at the Post Office at Chillicothe.
25 May 1815, Thursday, - Volume XV, No. 742 of the Pioneer Ohio Newspapers. "John Greave, in Jefferson Twp, Ross County, reports that Jesse Dixo and Jeremiah Cox have appraised a mare found by **John Franklin.**
1816 - **Charles Franklin**, 1816 tax list, Muskingum Co., OH. p. 289.
1816 - **Thomas Franklin**, original entered 1816 tax list, p.307.
1825 - **Joseph Franklin**, Morgan Co., OH 1825 tax list, p. 281.
1825 - **Calvin Franklin,** Morgan Co., OH 1825 tax list, p. 281.

1826 - (In the Abstracts of Estate Settlements, Probate Court, Ross Co.,OH, letters J - M to 1850, p. 32). (note from Bev - I can't help but think this is our John. A related name is the Ritenours. Can anyone interpret what exactly they are saying here? Perhaps you could write something up for me and I will put it in the next newsletter).

Some Other Interesting but not Related Franklin's...

There is a **Dr. G. S. (Gustavus Scott) Franklin** in Chillicothe, and The History of Ross and Highland Counties, Ohio talks about him in detail but does not list his parents. An article in the "History of Ross Co." gives more details on him, stating that his father, **William B. Franklin**, "had the family name of 'Bussard' changed, in 1831, by the Ohio Legislature, to its present form, 'Franklin'"". So, I think we can forget any connection with **William B.** and **Dr. G. S. Franklin**. This is good though as we can eliminate someone!

Charles Love Franklin is the son of **Dr. G. S. Franklin**, so forget him too. This is also clarified in the History of Ross Co., p. 623.

Can someone help here...?

In the book "Index to the Will Books & Intestate Records of Lancaster Co., PA 1729 - 1850" I found the following: **John Franklin** 1827, Book D, Vol. 1, page 51. The Allen Co. Public Library (at Ft. Wayne) does not have this book, only the index where I got this name. Can anyone get access to the actual record? How about you, Karen? I am curious to know what is here.

In conclusion...

I need some help. Please, let's get our facts together. I will put together a summary of our man, but I am asking for PROOF! Send PROOF to me and I will pass it along. $10.00 would also be nice! Hope to hear from you all soon. I think we can do great things!!!

Oh! So Much Work to Do!!!...

Well, I asked for it! You guys did a great job! You gave me so many changes to make on the descendancy chart that I never thought I would get through it. You can see that we have added many pages. I am sending you the latest and again would like you all to check it over to see if you can get any more data from anyone else to add. I hate to make this a final copy as I know there is more out there available with perhaps only a phone call on your part. Please, check your own line and double check it. Lets get all we can before I send it out to various libraries. No corrections will be made after it goes for several years.

Thanks to You all...

Bev Wagner, I want you to know that I ran out of the oil for the lamps burning at midnight. Whew! What a load of information you gave! Everyone, please take note of all the wonderful names that came in the William Odle & Elizabeth Franklin line. Is it possible to get bed sores on your bottom from sitting at a computer? Well, perhaps they can name this new condition after me! Can we meet in Ft. Wayne someday? Let me know your schedule?!?

Karen Shurtz, I want to thank you for all the copies from various films at your local Mormon FHC. There is some really good stuff there and I have looked it over carefully. Thanks!

Joe Laughridge, thanks for the IGI marriage entries of PA, VA, OH, MI, KS & IN. I admit I have not spent a lot of time with that yet, but will soon. Do you want me to make copies and send it back to you? Please drop me a line and let me know.

Attention Mrs. Benjamin Franklin!!!

It was great talking with you many weeks ago. Thanks for the call! During that conversation you mentioned that you had Naomi Cox Dale's address. Can you please send that? I would like to get in contact with her.

Also, I appreciate your comments on my grammar. I wish you were here to edit this newsletter for me - that has always been a problem for me. Thank goodness for the "spell checker" on the computer. It amazes me how long I have been spelling some words wrong!

A Few New Members...Hurrah For Us!!!

Just in case you did not check the updated list at the top of the newsletter, take note of the new folks! **Maria Odle** of Ft. Wayne sent a bunch of Odle sheets coming down from Irena Franklin. Thanks so much! If anyone needs or wants it, let me know and I will send copies.

Another wonderful find is **Marjorie (West) Herlitz**! We sure needed more information on the West's and we got it! She couldn't have been luckier to find us with our thousands of Franklins! Welcome, Marjorie!

Salt Lake, Look Out, Here I Come...

Yup, I arranged a trip to Salt Lake City with the family. We will arrive 27 December staying for one week. I would love to meet all of you and any of you 'westerners'. We will be staying at the Marriott Hotel, the one just 2 blocks from the LDS Library. My husband, Eric, and the kids, Annie and Brian, love skiing and I detest it - so this is a wonderful compromise! I hope that you will able to visit me that week at the hotel. You will have to come to me as the family will have the rental car with them somewhere, so I hope that is not a problem. We can at least spend a day or two talking over the Franklins and perhaps even research some. It will be a pleasure to meet you all!

Please write me to tell me if you are available that week and can meet. We will need to decide on one day so everyone can make on the same day. Please give me a choice of several days as soon as you can, and I will then contact you individually to establish the day or days that seem to work best. Hope to see you all there!

Maria Odle...

Can we get together some day in Ft. Wayne? I get there occasionally for research at your wonderful library and would love to meet you. Do drop me a line and let me know what your schedule usually brings.

Karen Shurtz...

Karen, would you do me a favor at the LDS library sometime? I printed a descendancy chart recently on the LDS computer at Ft. Wayne recently and there were a few names I had not gotten before. Could you look up the following info. and let me know who submitted the names? I would like to get in touch with them as they are obviously ours.

Elizabeth Franklin b. 23 Jun 1796, Ohio, W. Virginia
sp-William Odell b. 1794, Virginia
3-Elizabeth Odell b. 12 May 1843, Randolph Co., Indiana
sp-John Warner b. [1843]

4-Louella Warner b. 6 Jan 1869 Stockdale, KS
sp-Harry K. Stagg b. 13 Nov 1869 Wilmington, IL
5-Jess A. Stagg b. 12 Jun 1893 Manhattan, Riley Co., KS
sp-Mary Pauline Smith b. [1895]
5- Dorothea Marie Stagg b. 25 May 1895 Manhattan, Riley Co., KS

Everything from John Warner (I had last name of Warner only) is new to me. Please follow up and let me know, ok? I will take it from there unless you want to get in contact with them yourself.

Odle Info Galore...

Bev Wagner never stops! She is constantly sending me Odle information. If anyone needs any of it, let me know. Thanks Bev! Perhaps we can meet at Ft. Wayne again soon. Let me know, ok?

Kentucky 1810 Census Not Looking Good...

Well folks, at Ft. Wayne (I keep calling it Ft. Wayne, but what I mean is the Allen Co. Public Library) I checked out the Kentucky 1810 census with some grim news. I cannot see that any of the John Franklins there (there were 5 of them) are ours. Below, you will see what I mean:

1810 census

	White Males					White Females

3. = John Franklin, Jr., of Barren Co., KY, p. 35.
4. = John Franklin, of Barren Co., KY, p. 40.
5. = John Franklin, of Floyd Co., KY, p. 98.
6. = John Franklin, of Warren Co., KY, p. 257.

So, according to the information that we all have with the Franklin kids, none of these census records seem to match up very well. If anyone has any suggestions, please let me know.It is also important to note that Tennessee does not have an 1810 census as apparently it was burned or some

crazy thing. I have heard there might be some tax records available, so if anyone knows anything about that time in Tenn., please help check to see if our boys and girls are there.

Can Anyone Identify This Man???

Recently I sent for and received from the Warren Co. (Indiana) Genealogical Society a bunch of obits they had collected. There was one that I cannot fit into the scheme of the computer and would like help for everyone to see if they know who this person is, especially our Kansas friends out there.

Listed in the W. Lebanon (Indiana) Gazette 1908, article dated 23 Apr 1908.

According to this obit, this John would have been born about 1836. Any help out there?

Look Twice, Three Times and More!...

Along with the obits from Warren Co., I also received a copy of a letter sent to them in 1986. I put it aside for quite some time as it was hard to read - apparently the copier was not up to par that day. Anyway, while cleaning up the massive piles on my desk, I took a second, and then a third look finally reading it well.

The letter was requesting information on a law suite brought against Warren Co. by the heirs of Joseph Franklin and it is supposed to have ended up in the Indiana Supreme Court. Well, that was no big deal to me, but I kept reading and realized that this Joseph was one of the first settlers in Tippecanoe Co., IN, taking land in 1827. His daughter, Rebecca, married a William Trenary who was born in Ohio. They are the first recorded marriage in Tippecanoe County with a marriage license issued 2 Nov 1826.

Here are a few quotes from the letter:

"This is what I know about my Franklins.
Joseph Franklin b. in Mass. or Pa.
Son James & dau. Nancy b. in Pa.
Family in Ross Co., Ohio by 1802 or so
Other children of Joseph:
Olivet (Mrs. Shealey[?], lived and died near Zenia)
Preston or Presten - had a son, the other a grandson of Jacob (cannot read this but says something about White Co.)

It goes on,

"Joseph listed the following persons in his will:
Olivet, Rebecca, Nancy, Jesse (son of Preston who was deceased), Jacob and James. John was not mentioned."

The letter goes on:
"A bit of family history - irrelevant to the suit is about Randolph Bridey Trenary (my grandfather and my grandmother) Molly Nodruft (?) Trenary. They lived at Williamsport the first years of their married life. Molly died young and was buried in the old cemetery. Randolph was an engineer on a troop train that carried Civil War soldiers. It was after the war he still took trains down the track past the cemetery where he said he could look out and see his Molly's grave. I could find no stone to mark the spot but I did see that a railroad ran along the side of the burying ground. I wonder whether there's a record of those buried there.

Randolph is buried with a wife of his later years in the Osborn Prarie Cemetery near Covington. He died several years before I was born. His grave is marked."

Signed:

Ann Mallett
8140 Township Line Rd.
Indianapolis, IN 46260

(Ann's address at the time of the letter was
1156 E. 58th St., Indianapolis, IN 46220)

OK, so there were some similarities with our Franklins and maybe too many. When I was researching in Tippecanoe Co., I did see many of these other Franklin names but could not see a connection. With Ann's letter, it was beginning to give me a strange feeling. Here we have another very early Franklin family from Ross Co.!?!%$# Why are there two families there at that time if they were not related??? One has to remember that Indiana in 1827 was extremely early and there were very few people. Those Franklins not only had to know each other, but they may very well have been related.

So, after I typed the words "Dear Ann" I thought I had better see if that 1986 address was still correct. I called information and indeed it was different but "Ann Mallett" was still in the phone

book. I called and talked to Ann. She could hardly hear me. She is 87 years old! I just spoke with her Saturday night, the 15th of October, and you better believe I am ready to drive to Indianapolis to see her. Ann never married and has no children. I think it will be interesting to meet her.

In conjunction with Ann, a querry I had run in the South Bend Tribune attracted some attention to an Elkhart, Indiana woman (Elkhart is 15 miles east of me). She was interested in the Franklin line having come from the Warren Co. area too and she apparently is of the same line as Ann Mallett. So, they have found each other so I hope we have found them.

I guess what I am going to try to prove eventually is that Ann's Joseph and our John (sp. Eleanor Riggs) were possibly brothers, or certainly very close relatives. Since Ann has done genealogy for many years and has no spouse (never married) or children, I think she may have some desire to share her information with us. She certainly was interested in our story and I am very interested in hers. Let's hope we can see a connection.

The lesson I learned from this? Re-read, re-read and re-read all the material you may have collected and never rule anything out!

Martha, Take Care...

Martha, I hope you are feeling better soon...Let me know if you need help in Tippe. Co. with the new Franklin stuff! I maybe could sneak down for a few days) before the snow flies!

I Need Your Help!

Now, just because I am doing this work for us, that does not get you all off the hook. I would like you all to consider all that I write about and give me feedback. I know that you are all as interested in this line as I am, but I can't (and won't) do it alone. Remember, I am NOT related to this line! It is my HUSBANDS family!

This line has fascinated me for quite some time and I would like to think that maybe my kids are from a strong, American line. As I research my side(s), I think my strongest possibility of being a true, full blooded American (if there is such a thing) might have been my Morrison side, but as I go further into that research, I think I was a daughter of a Loyalist! Oh, gosh. Hope you all forgive me!

Anyway, please, give me all the input you can and lets see what we can come up with together!

Next Newletter in January...

Because of the Salt Lake City trip coming up, you will no hear from me again until late in January or February. Also, son is also having foot surgery after we get back and I know he will be here at the house for maybe two weeks after that. I will do my best to get one out as soon as I can and let you know what wonderful things I find. Again, thanks for all of your help! Bev.

Do We Have Another Anthony Franklin Here???...

Joe Laughridge sent me an interesting article sent from the Winchester Community Library. They sent a photo copy of what appears to be the history of Randolph County and it speaks of Eli Jarnagin, whose name I have encountered before. It says "At the age of twenty-three he married Miss Mary Franklin, born in 1799, the daughter of Anthony Franklin, a native of Virginia". Eli was bonr in Gringer Co., Tennessee 29 Mar 1793 and moved to Highland Co., Ohio in 1806. They farmed and then in 1827 moved near Fairview, Randolph Co., Indiana. His son, John Wesley Jarnagin, b. 1824, lived at Deerfield. Aren't there some coincidences here?

So, the only reason that I wonder if there is another Anthony is that I have not seen "Miss Mary" appear in a family grouping of the famous Anthony that I posted in the last newsletter. Although Anthony would have been 21 when "Miss Mary" was born, this is the first time I have seen her listed with Anthony of Highland County, Ohio. Can any of you in Randolph County find anything more on the John Wesley Jarnagin family? I would appreciate the help from you locals there.

I just spotted a Mary Jarnagin, widow, on the list of Pensioners for Randolph Co., IN for the War of 1812. I will see what can be found out about her, but please, all of you in Randolph Co., please let me know what you can find too, OK? I need your help!

Bev Goes to Salt Lake City Again...

Thank goodness my family likes to travel! This summer, my husband recommended that we go skiing again at Salt Lake City. Well, as previously mentioned, that is the absolute last thing that I will ever do, but I did arrange the trip so we are located at The Inn at Temple Square, a hotel in viewing distance of the Mormon library. Oh boy! Now I can't wait! We will be there January 1 - 7 so if any of my western friends (Joe or Karen?) can make it to see me, we will be staying just across the street from Temple Square. Please let me know if it is possible to meet you. Would love to get together!

Sending to the National Archives...

Recently I got my hands on the form that gets us information from the National Archives for such things as military pension records, bounty-land warrant applications etc. This is something that has been of interest to me when several of my friends have reported great results. I also have ordered more forms for more people. I will send for information available on Thomas Dawson Franklin who was in the Civil War and see what we have. There were several Odle's and Franklin's in that war, and below are the names I have. If you know of any others (of if you can clarify any of these), please let me know, and I can send for their files too. We have a fair amount of money in the "fund" so the cost of the files will come from that. The minimum charge is $10.00 and it can go up from there, but generally it is only that much.

Me, Capable of Teaching Genealogy???...

A funny thing happened to me last spring. Carol Collins, our local "expert" genealogist decided to stop teaching genealogy and recommended me! At first, I was stunned and scared and really had to think it over. Well, it didn't take too long and I agreed. So, this fall I taught beginning genealogy at Indiana University at South Bend in the continuing education department and will do so again this Feb/Mar. As a result of teaching, I have been learning more too. Guess that happens!

Help From Anyone!!!

I have two death locations for Caleb Owen Odle who died 25 Dec 1865. One is at Randolph Co., Indiana and one for Iroquois Co., Illinois. Can anyone straighten me out on this? Any proof? I also show a cemetery of Ritenour Cemetery in Randolph Co., and one at Greentown Cemetery, Iroquois Co., IL. Which is correct???

The End...

Other than taking note of the following pictures, I am ending for a few more months. Everyone have a wonderful holiday season and let me know if you can meet me in Salt Lake City or at Ft. Wayne sometime!

Where Did This Year Go????...

Well, I think I started the last newsletter this way! What is my excuse now? Again, I have lots. I did spend a month in April & May in Germany, Switzerland and Finland visiting former exchange students and it was just wonderful. When in Indianapolis where I flew from, I stayed with my dear "cousins" Jim and Frances Franklin Horner and they shuffled me to and from the airport. Although our visit was brief, it was certainly wonderful seeing them again. Thanks for your hospitality!

While in Germany, my German "child" arranged a little genealogy trip to the north where I researched my mother's Wuelpern line. I even met my 4th cousin, Johann Wolpern, living at Bullenholz on the 300 year old family farm. That was neat! Johann had been in Indiana just last year! We did not know each other back then!

Summer came and went and finally the kids are back to school. I have a stack of mail to take care of and this newsletter is long overdue. I hope you will all forgive me!

If you have anything to submit to this newsletter, please send it in. I received some Civil War records of James Quinn Odle but cannot put my hands on them right now. I put things away - do you know how that goes???

New Member - Jeanne Hofmann...

Jean Murray Hofmann, of Ft. Myers, Florida, did what we are all supposed to do. She left her family data at the Morman's Family History Center at Salt Lake City and this January I found her name and contacted her. She has joined our group and I have enclosed her information for you. Her mother was Esther Stagg Murray who was the daughter of Louella Warner Stagg who was the

daughter of John Warner, Jr. So what, you say? Well, John Warner, Jr. Married Elizabeth Ellen Odle who was the daughter of William Odle and Elizabeth Franklin. Neat, huh?

I have entered her information in the computer and she will be included on the next major printout. Meanwhile, see her information and try to disregard the "A's" and "3's" all over the chart. I am not sure how that happened and have spent more time than I want to trying to figure it out, I gave up. Hope you can see around it all.

Dawson Connection in Texas...

When I was on Prodigy one day (the bulletin board service), I connected up with a man who is researching the Dawson line quite extensively. He has been grateful to what I have sent and has sent me some things too. I hope to get a disk full of Dawson's from him someday to add to our data base. He often leaves messages requesting Dawson's in Warren, Newton and Jasper Counties in Indiana and I know he is doing a thorough job. In case you would like to reach him, you can reach him at:

Thomas Dawson Franklin as Deserter???

Yes, sad but true. Hoping to get some great Civil War records on Thomas Dawson Franklin (my husband's great-grandfather) I sent off to the National Archives in Washington D. C. for his information. Well, it came, and to my surprise it looks like he did indeed desert. I have enclosed copies of the records for you for your files. As you can see, he did re-enlist in 1865 in Illinois under the name of Thomas F. Johnson. There apparently are more records on him from there and I have send to the archives again for that information. Guess we all can't be perfect. It was a tough war!

Nadia Schultz Joins the Odle Family...

Two years or so ago I was in Chillicothe, Ross Co., Ohio and I found the name of another researcher, Nadia Schultz. I finally wrote the letter and she quickly answered and I sent her the ton of Odle information that I have. I am waiting to hear from her and will be adding her information to the pot when it arrives. Just in case you need to reach her, you can write to:

Nadia Schultz
Box 82
Prairie City, Oregon 97869

Nadia descends from Elizabeth Mc Clintock and husband Caleb Odle (b. 1772) in Maryland. Their daughter, Jane Odle, b. 3 Nov 1813 in Ross Co. married James Argubright in Ross Co. I don't have the full connection from her yet, but will keep you informed.

I hope she will join the rest of our Franklin/Odle bunch!

I Still Need Some Pictures...

I know you know who you are. Please send them in just for the fun of it!

Rakay -

Drop me a note and tell me where you married Claye Dance. I have a date of 7 Oct 1994. Any new additions?

Salt Lake City, Here I Come...Again...

Yes, I did do a good selling job on Salt Lake City and we are planning another trip out in January! If anyone can come to meet and research with me, please do. I would love to meet you. Last January, I met Karen Shurtz as she drove up from Delta to visit and in 1995 I met Joe Laughridge. This sure is fun! There are no details made out yet, so write or call if there is a chance of you coming up/over to Salt Lake.

By the way, my kids are having a ball skiing and Eric, nearing 50, has been enjoying more and more time in the warming houses. Nonetheless, it is beautiful country!

Rose Mary Patterson...

This is a semi-repeat of the last newsletter. Can you answer these form me and send the information? I would prefer not via Prodigy as I rarely am on it. Thanks.

Where was Norma Jean married? When and where were her two spouses born? Did Norma Jean have children? I have none recorded. Did your brother John have any children? I have none listed.

Mrs. Benjamin Franklin...

Has called a few times to say hello too. She is doing well and is fighting her cancer better than anyone has expected. Hang in there, and thanks for the calls. I have enclosed copies of Mrs. Franklin and her family in this newsletter. Hope you enjoy them.

Do You Have Photos to Share?...

If you have some old photos of Franklin's you would like duplicated, I would be happy to do that for you. As some of you know, our family has a 3rd generation printing company here in South Bend and I can use their services for making copies. Even if it is a tin type, glass or regular print, we can scan photos into the computer and then the images are put on CD-ROM. I also have them printed. If you will let me do that, I will gladly return the originals to you, unharmed, with as many copies as you request and at various sizes. I hope that some day, the photos can be used in our Franklin booklet. I hope you will all consider sending me a few photos for me to copy for you - and as a result - to share with everyone. I promise the utmost care in handling!

Elaine Schmid, Who is This Man???...

Dear Elaine, I have a copy of a picture of a Franklin that I had copied from your supplies and do not know who this man is. It says it was J. N. Franklin. But what is the J. N. part? The picture is at the end of this (Oct 95) newsletter. Please let me know!

Elaine, I am asking you again, the same as the last newsletter. You did not tell me anything yet!!! Who is this guy???

Our Franklin's Were Featured...

Yup! Our own group of Franklin's were featured on the front cover of "Franklin Family Researchers United", the April, 1996 issue. The photo was loaned to me by Elaine Schmid and I submitted it. As a result of the photo, that family line was featured in the beginning. It was the family of John Franklin (b. 5 Sep 1818 Ross Co., Ohio) and wife Lucy Ann Robbins Franklin (b. 8 Mar 1835 Warren Co., IN). The photo shows their children in a formal setting. If you get the chance, be sure to check out this newsletter. We are very well documented and if anyone wants to find us, this is the way!
